A Message from the Supervisor & the Town Board

Supervisor Frank P. Petrone and Councilman Mark Cuthbertson, liaison to the Department of Parks and Recreation, at a pep rally celebrating the synthetic turf complex at Veterans Park in East Northport.

Spring 2016

Dear Fellow Huntington Resident:

Welcome to the Town of Huntington's first-ever digital-only activities brochure.

With the publication of this *2016 Parks and Recreation Interactive Spring Activities for Children and Adults Brochure*, the Town has stopped mass production and distribution of the printed version. Instead, we are reaching out to residents in an entirely digital world, providing you with the information you want and need about the upcoming programs, and the ability to sign up for those programs directly from the brochure.

The new digital format allows you to get to any page with a click from the Table of Contents. You can register directly on-line for the activity you are interested in by clicking on the blue activity button listed in the brochure. You are now able to see video or images of different activities before you decide which activity is best for you. This brochure will be updated throughout each season to reflect new programs and activity availability statuses.

So be sure to bookmark the site **www.tohparks.com** to get back to this brochure. You can also get updates on programs and other information at the Parks and Recreation's new Facebook page, **<https://www.facebook.com/Town-of-Huntington-Parks-and-Recreation-1048763248508359>**

On behalf of my Town Board colleagues, I invite you to browse the brochure and to make plans to enjoy the upcoming spring season by enrolling in one of our programs, visiting one of our parks or playing a round of golf at either Crab Meadow or Dix Hills Park.

As always, we welcome your comments and input. If you prefer to contact us by telephone, please call the Department of Parks and Recreation at 631-351-3089. This number is available from 8:30 a.m. to 4:30 p.m. Monday through Friday.

We wish you and your family an enjoyable spring season.

Sincerely,

Frank P. Petrone

Registration Information

The Town of Huntington Department of Parks and Recreation's **Interactive Digital Brochure** can be viewed online at **tohparks.com** as a magazine, printed in part or all pages, or downloaded in pdf format from the Department of Parks & Recreation main website. **To register for a program simply click on the Activity Button to the right of the program description.**

The Winter brochure is available online in December, the Spring brochure is available in March, the Summer brochure is available in May, and the Fall brochure is available in September. This new **Interactive Digital Brochure** includes our recreation programs, new activities, announcements, and brochures provided by the Department that can be changed/added each day, weekly or monthly so you'll need to **check our Interactive Digital Brochure online regularly.**

The Department reserves the right to make any adjustments or changes deemed necessary. View the Town of Huntington website: **tohparks.com** for updates. Program registrations are conducted on a first-come, first-serve basis. Preference is given to Huntington residents. Non-resident registrations start two business days after the resident registration date.

Unless otherwise stated, an immediate family member may only register themselves, their children, and one other family in addition to their own. The immediate family consists of parents, grandparents, brothers, and sisters of the participant. Parent's (not grandparent's) **Recreation ID or Golf Card** required if the child is under the age of 13.

WARNING: TOWN is NOT responsible for lost or stolen property

ALL FEES ARE SUBJECT TO CHANGE. NO REFUNDS.

No refunds are issued by the Parks and Recreation Department unless a program is cancelled by the Department. Programs listed in this brochure conducted at school facilities are subject to cancellation or change by the school district.

PERSONS WITH DISABILITIES

Any person with a disability in need of special consideration in a Parks and Recreation Program is asked to call 351-3089 for an individual participation assessment prior to registration. One-to-one supervision is not provided.

For assistance with disability needs, the **Resource Center for Persons with Disabilities** may be reached by calling 351-3058 or fax to 425-0746.

CHECK, CREDIT CARD, OR MONEY ORDER

The Town accepts a maximum of \$25 in cash. All amounts above \$25 are accepted as check, credit card, or money order only. Online payments must be made by credit card. The only exceptions to the \$25 maximum cash accepted are the Tax Receivers Office, Crab Meadow Golf Course, Town Beaches, and Dix Hills Park (pool, golf course, and ice rink public sessions).

All checks should be made payable to *Huntington Parks and Recreation*. There is a \$20 service charge on all returned checks.

RECREATION CARD

Town residents, age 13 and older, may receive a discount on Town of Huntington Parks and Recreation programs and facilities when

they purchase a two-year photo Recreation ID card. Cards expire two years from date of purchase. Residents who do not purchase the Recreation ID card will be charged the non card holder fee. Non-residents cannot purchase the Recreation ID card.

Recreation ID and Golf cards may be obtained from the Department of Parks and Recreation, Town Hall, Room 103 (351-3089) and the Dix Hills Ice Rink (462-5883). Office hours are noted above except for the hours for Crab Meadow Golf Course which is listed in the Golf Section of the brochure. Children under the age of 13 who wish to participate in our programs or use Town recreational facilities must be registered by a parent/guardian who has a Recreation ID card in order to obtain the Recreation ID rate. Parents can use each other's card for registering their children.

Residents that have the following cards do not need the Recreation ID card. These cards are honored as Recreation ID cards:

- Crab Meadow Golf Card
- Dix Hills Pool Membership Card

To obtain the photo Recreation ID card, residents are required to present two forms of identification (showing address) to demonstrate Town residency. One must be a Driver's License or Non-Driver ID. The other must be one of the following: tax bill, utility bill, library card (with address), or car registration. Teens will be required to be present and parent's driver's license must be presented for proof of residency.

WebTrac Online Registration

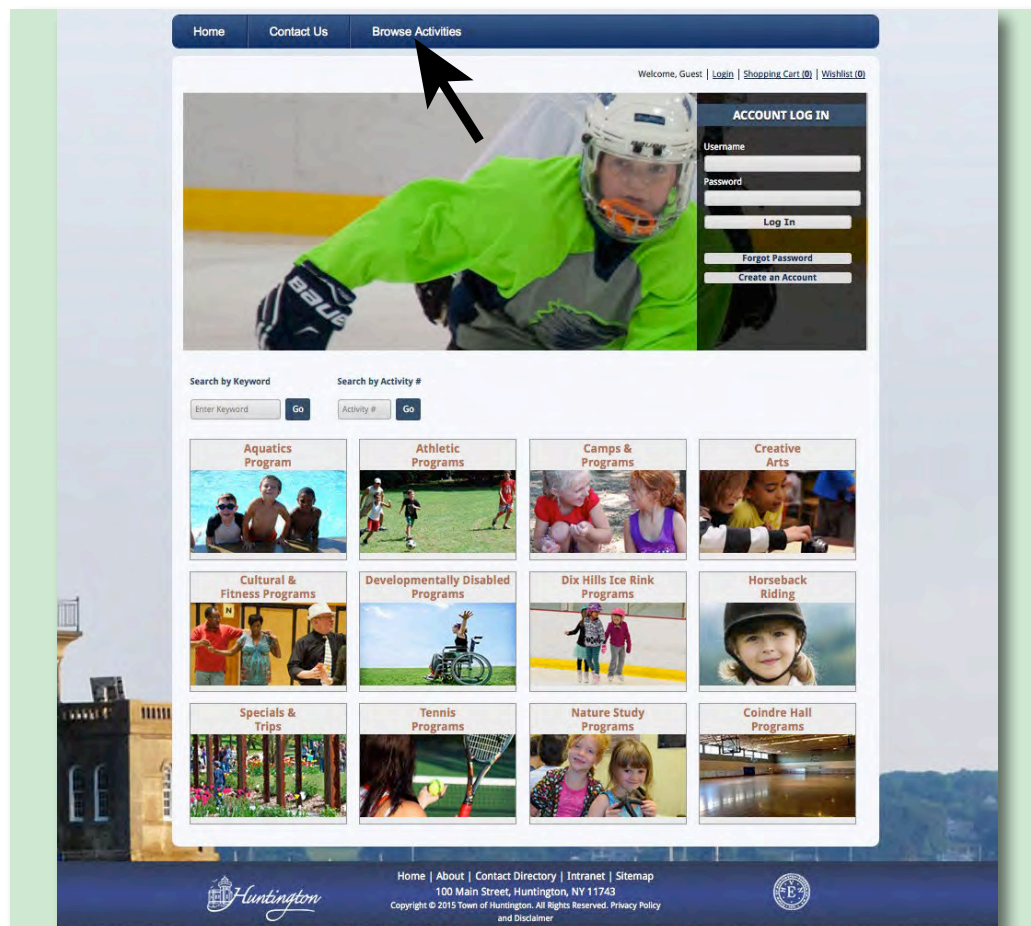

TO REGISTER ONLINE USING WEBTRAC:

In addition to registering for programs using the [Interactive Digital Brochure](#) online, you can register using the [WebTrac](#) system, which allows you to browse activities, or search by keyword, activity, or program. If you have already created a household account in **WebTrac** you can register for programs by going to tohparks.com. Once there, log in using your user name and password.

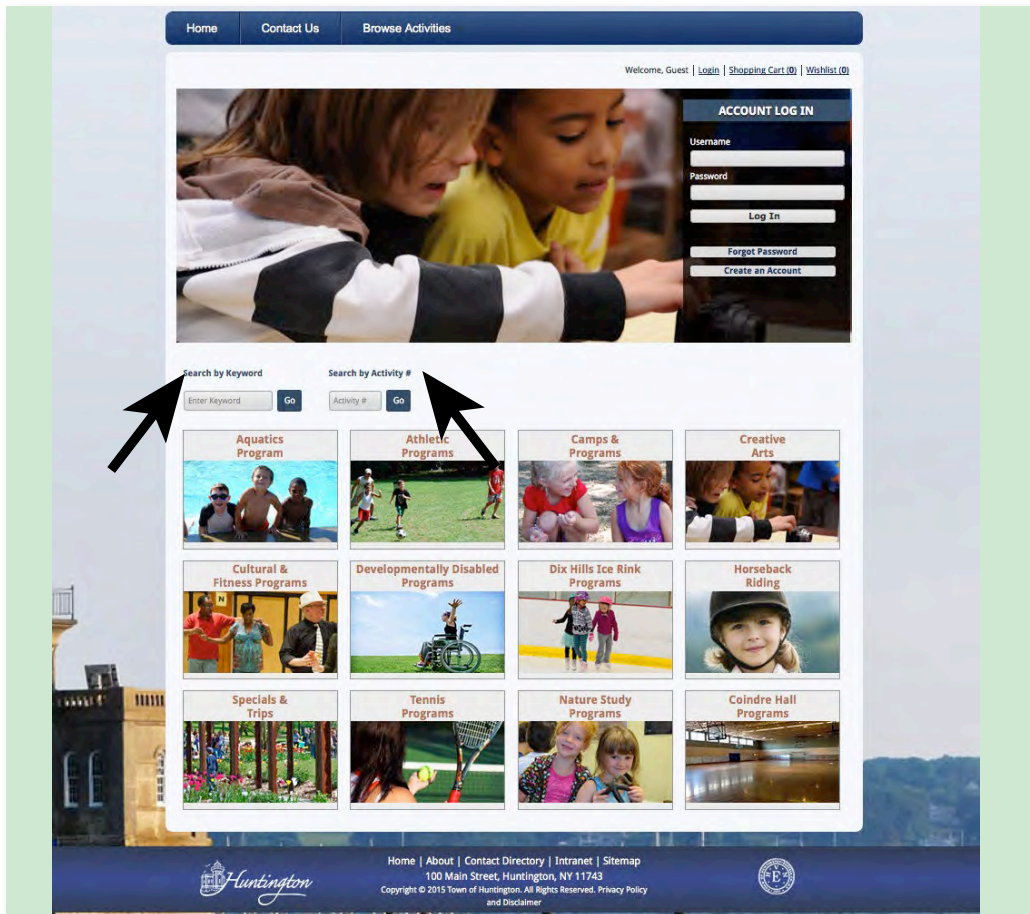

If you haven't created a household account click on the **Create an Account** button under **ACCOUNT LOG IN**.

If you don't have or can't purchase a Recreation I.D. Card or Golf Card, you can still create your own household account in **WebTrac** and pay the non-card holder fee. There are NO REFUNDS for activities unless the Department cancels a program. For children under 13 years of age a parent or guardian can use their Recreation I.D. Card or Golf Card. If you have any questions call the Parks and Recreation Department at 631-351-3089.

GOLD STAR CAMP

A full day camp program with an environmental focus located at Coin-dre Hall and Gold Star Battalion Beach. The program will include a variety of activities such as nature study, arts and crafts, sports and special events. A special touch tank will include snails, mussels, clams, sea stars, crabs, lobsters, and various fish of Long Island Sound. BRICKS 4 KIDZ SUMMER LEGO CAMP

This program, offered in cooperation with **Bricks 4 Kidz**, features hands-on enrichment classes utilizing LEGO® bricks. Students will design and build animals, buildings, robots, and other constructions. While exploring new concepts related to architecture, engineering, manufacturing, the environment, etc., students will develop problem solving and critical thinking skills. A different theme is offered each week.

TIMES: Monday – Friday, 9:00 a.m. – 12:00 noon

LOCATION: Silas Wood Middle School, 23 Harding Place, Huntington Station, NY 11746

ELIGIBILITY: Ages 6 – 9

FEE: \$240 per week

REGISTRATION: Starting March 9, you can register online at www.brick4kidz.com/northshore. For more information or sibling discount, call 631-327-1312

DATES & TOPICS:

AMUSEMENT PARK MADNESS: July 11 – 15

Get your ticket to ride at Bricks 4 Kidz very own Amusement Park! Campers will build a new ride each day, learning how to make things spin, roll, turn, and rock. Then they will take what they have learned to design their own thrills and challenges. Motorized models maximize the action and the fun. Each camp day includes games, group challenges, model-building, and more.

SPACE ADVENTURES: July 25 – 29

Inspired by NASA and Star Wars™, our Space Adventures Camp is packed full of models that will make your imagination blast off! Each day, campers will learn about real-life space exploration and build models related to the NASA space program. In addition, the day includes LEGO® Star Wars™ themed models, group games, and more. Bricks 4 Kidz Space Adventures Camp provides the spark for imagination and creativity to take off on an adventure that's out of this world!

ANGRY BIRDIES/BAD PIGLET: August 8 – 12

Angry birds is a game about catapulting birds over structures to earn points. Experience the thrill of Angry Birds by building different birds with LEGO bricks in this fun camp. Kids will build birds. Launch them through the air, and build racing karts and more! Campers will face new challenges each day, building models and motor-powered machines for their creations.

MINING AND CRAFTING: August 15 – 19

Minecraft is a game about placing blocks to build anything you can imagine. At night, monsters come out so make sure you build a shelter before that happens. Experience the world of Minecraft with LEGO bricks in this fun enriching camp. Campers will start crafting their shelters and some of the mobs, critters, and tools using LEGO bricks. They will face new challenges each day, building models and crafting key elements from the popular Minecraft game. Camp will be arranged in stations, allowing everyone to build, create, and even play Minecraft on laptop computers.

SCIENCE CAMP

This program, offered in cooperation with Scienstational Workshops for Kids, will feature different science topics for elementary school-aged children. The topics and dates are listed below. Children should bring a drink and a snack of non-perishable foods. There are different age levels for some topics.

TIMES: Monday – Friday, 9:00 a.m. – 12:00 noon
(except for Advanced Robotics – see below)

LOCATION: Silas Wood Middle School, 23 Harding Place
Huntington Station, NY 11746

ELIGIBILITY: Children ages 6 - 12

FEE: \$153.60 per child per program

REGISTRATION: Online and in person begins March 10 at 9:00 a.m.
In-person registration is at the Parks and Recreation office or the Dix Hills Ice Rink building.

DATES & TOPICS:

ADVANCED ROBOTICS: Ages 7 – 12

In this workshop you'll be building and taking home the Jungle Robot, an advanced level robot. You'll get to see and learn how different types of gears mesh and are driven by a motor. You'll connect the motor, battery, and microphone to a circuit board, which will program your sound activated (clap of the hand) robot. There will be time set aside in this workshop, to put your imagination and skills to the challenge. Working in small groups, you'll build different robotic creatures and vehicles. They will eventually be tested for speed, strength, and endurance. The robots built in this section of the workshop are not taken home. They are taken apart and the parts are reused to build yet another robotic creation. Tires, motors, gears, wires, and controllers are used to move these robots across the floor. After making trial runs, you can modify your designs to increase your robot's level of speed and/or strength, to meet the testing challenge. Your robotic creations will be tested in Sumo battles, tugs-of-war and vehicle distance timings, etc.

HOVER CRAFT- DESIGN YOUR OWN VEHICLE – EGG DROP CAR: Ages 6 – 11

Build and keep an air powered Hover Craft. You make it defy gravity. The purpose is to build a super car powered by more than one source of energy. This can be one crazy looking vehicle. We provide you with many materials for that dynamic vehicle that you will build. You also get to build an Egg Drop Car. The purpose is to build a gravity vehicle that can cushion a raw egg as the car holding the egg is dropped from a high height. We provide you with the material to cushion the fall. In these three challenges in one workshop, you will learn about Laws of Motion, Energy, Air Pressure, Friction, Lift, Speed, and Acceleration.

AMAZING 4-IN-1 ROBOT: Ages 6 – 11

Build your own interchangeable robot to take home with four unique modes. It is truly a four-in-one motorized robot kit. Learn how the different gears work as you are building. You will be building the Cricket-a joy on six legs. Build the Beast. It is a master bipedal movement. You better not get in its way! You will also build the Trailer-the little engine that could move forward thanks to its motorized transmission. Finally the best of all, Grandpa-Bot Robot. It has huge eyes and is everyone's favorite bobble-headed, gear driven family member. Plus have fun building a wide range of additional robotic designs with the Robotic Building System – Sumo wrestling matches, races, and much more. Robots built in this portion of the workshop are not taken home.

PROSPECTORS MYSTERY ROCK: Ages 6 – 11

You are going to be a Prospector (you know those people who were always looking for gold). In this workshop you will get to excavate for valuable gems, fascinating rocks, and some ancient fossils. All are yours to keep. What hidden wonders will you find? The identities of the 10 specimens found in your Mystery Rock have been kept a secret to you. You will experience the thrill of discovery, much as prospectors did. You will be able to identify each one. Your specimens are in a hard clay material the same as prospectors found. You will have to get them out without breaking or scratching them. You will get an excavation tool, specimen brush, log book, sorting trays, and labels. You will, as a Prospector, record the color, both wet and dry texture, and its ability to float for each of the 10 specimens you dig out. Make an educated guess with our help to whether each one is a rock, gem, or fossil.

MAGNETIC LEVITATION FOR FUTURE TRANSPORTATION: Ages 7 – 12

Build your own "futuristic Maglev" car to race and take home. In 1999 a Japanese five-car maglev train set a record of 345 miles/hour. Yours won't go that fast, but we will have fun building it and learning how it operates. Learn about the relationship between magnetism and electricity. You will also get to build a simple maglev track as well as a cool electromagnet. Learn how motors work, as well as generators. Build and take home the world's simplest motor. Make your own compass and take part in many other magnificent magnetic activities! Yes, Sci-ensational Workshops again starts with the Maglev car (magnetism – electricity – levitation) and goes in all direction to have fun and learn while doing hands-on activities.

2016 JUNIOR GOLF PROGRAMS

Conducted by George A. Dixon, PGA, and Professional Staff

Golf clubs used for the lessons are provided through a grant from the Sticks for Kids initiative. This initiative was established via a partnership with the Golf Course Builders Association of America (GCBA) and the National Recreation and Park Association (NRPA).

JUNIOR GOLF PROGRAM at DIX HILLS PARK GOLF COURSE

Conducted by George A. Dixon, PGA Head Golf Professional

THE JUNIOR GOLF PROGRAM CONSISTS OF TWO TYPES OF INSTRUCTION:

THE BASIC PROGRAM is for boys and girls **ages 6-14** that are generally new to the game and that need training in all areas and fundamentals of the game and how to swing all the different clubs. Safety, rules and etiquette are also stressed. The atmosphere is fun, as students will be challenged with various types of games and contests, as well as, introduction to the Golf Course.

THE CLUB DIVISION is for those students who have gone through a basic program at least three times and are ready for organized play on the golf course. Advanced levels of instruction, rules, etiquette along with safety and sportsmanship are the focus of this program as students play various types of golf formats on the golf course.

Session	Dates	Time
Basic – Tuesdays	July 12, 19, 26 & August 2, 9, 16	9:30 a.m. – 12:00 noon
Basic – Wednesdays	July 13, 20, 27 & August 3, 10, 17	9:30 a.m. – 12:00 noon
Basic – Thursdays	July 14, 21, 28 & August 4, 11, 18	9:30 a.m. – 12:00 noon
Club Division – Thursdays	July 14, 21, 28 & August 4, 11, 18	9:00 a.m. – 12:00 noon

Each session is made up of six classes. You pick and choose dates that fit into your busy summer schedule!!!

If you sign up for two sessions, 12 classes, receive the third session free!!! That's 18 classes for the price of 12!!!

COST: \$325 for the **Basic Program**.

\$350 for the **Club Division**, includes the cost of green fees

REGISTRATION: Juniors will be accepted on a first-come, first-serve basis to ensure manageable teacher/pupil ratio (approx. 8 to 1). Call early to reserve a spot, as classes are limited. Registration starts April 1, 2016, and can be done at the **Dix Hills Park Golf Course**. Please call 631-499-8005 with any questions.

HIGH SCHOOL GOLF DEVELOPMENT PROGRAM at CRAB MEADOW

OBJECTIVE: A unique golf experience for the intermediate High School Golfer who wishes to take their game to the next level.

LESSONS: Playing lessons with PGA professional George Dixon and his Staff is a sure way to get your high school golfer ready for the upcoming season. The lessons will be a series of on-course rounds at the Crab Meadow Golf Course, with the goals of developing the following in the player: golf course management, club selection under varying conditions, reading greens, greenside and fairway bunker play, all aspects of the short game, and most importantly, head to head competition as they will see in High School Golf Matches.

The program is open to Girls and Boys who are currently playing on a School Team, or those who are interested in trying out for a team. The lessons are an excellent mentoring program aimed at developing the necessary skills that the Young Golfer will need to compete in Junior Golf at the High School level and beyond.

The program is designed for students who can currently play nine holes of golf unsupervised.

DATES: Thursdays, July 14, 21, 28, August 4, 11, 18

TIMES: 3:00 – 5:30 p.m.

COST: \$375 includes Green Fees

REGISTRATION: Begins April 1, 2016 at the **Dix Hills Park Golf Course**. The program is limited to the first 24 students. For any other questions contact the Golf Shop at 631-499-8005.

DIX HILLS GOLF COURSE

The golf course is located on Vanderbilt Parkway east of Deer Park Road, Dix Hills. It is a 9-hole golf course, Men's par 31 – 1930 yards / Ladies' par 32 – 1882 yards. The complex features a Practice Range, Putting Green, and Pro Shop with electric and pull carts available.
